

# Vision 330

color Dome

The 330 series color dome cameras feature a 1/3" Sharp Color CCD with 380 TV Lines. This series features three options: 330 with a 3.6mm board lens, the 330VF with a 3.5-8mm varifocal lens and the 330A with a built-in microphone. Optional case sizes are also available with the 330 and the 330A. Tremendous flexibility at an affordable price.

## DO 330 series

## KEY FEATURES

- 1/3" Sharp Color CCD
- 12vDC
- 380 TV Lines
- Low power consumption
- Compact and light-weight
- Board 3.6mm lens
- microphone built in (330A)
- Function supported
  - auto electronic shutter
  - auto gain control
  - auto white balance
  - backlight compensation
